“This year’s DONNA Marathon Weekend was a celebration of survivorship, hope and the idea that together, we can all achieve more than we ever thought possible,” said Donna Deegan, founder of The DONNA Foundation. “When you run with purpose, every step is symbolic of something bigger than yourself. I am grateful to the thousands of participants, volunteers, neighbors, spectators and sponsors who have joined us in the journey to finish breast cancer — because the only way we’ll cross the finish line is together.”

The 14th Annual DONNA Marathon Weekend is set for February 12-14, 2021.

The DONNA Foundation was established in June of 2003 by three-time breast cancer survivor and award-winning journalist Donna Deegan to meet the critical financial needs of the underserved living with breast cancer. The organization’s mission is to provide financial assistance and support to individuals living with breast cancer and fund groundbreaking breast cancer research. To date, the DONNA Foundation has served more than 13,000 families, securing more than \$500,000 in financial services and debt relief each year. The organization has also disbursed more than \$3 million to develop and maintain the Mayo Clinic Translational Genomics Program. The organization also operates events and programs for survivorship, education and awareness. For more information, visit www.TheDONNAFoundation.org.
