12th Annual DONNA Marathon Weekend

February 8 – 10, 2019 • Beaches Town Center

COMMUNITY INFORMATION

NEW IN 2019, DONNA MARATHON WEEKEND WILL START AND FINISH IN BEACHES TOWN CENTER AT THE HEART OF NEPTUNE BEACH AND ATLANTIC BEACH, FLORIDA.

DONNA Marathon Weekend includes a Full, Half and Ultra Marathon, 5K and multi-event Challenges through four beautiful beach communities with scenic views and an outpouring of crowd support.

Ask anyone who's participated in DONNA Marathon Weekend and they'll tell you this is a weekend of unconditional love and support. It's not just about being together, but pushing each other to run a little faster, walk a little further and give a little more, because together we can, and we will.

HOW TO GET INVOLVED

- Organize your neighbors and host a block party.
- Invite friends and have a Marathon Viewing party. Ask for guests to bring a donation for The DONNA Foundation.
- Challenge nearby block neighbors to a decorating contest!
- If the weather is hot on race day, offer popsicles, frozen fruit and your yard hose!
- Please do NOT use spray paint on the roadways. Only washable chalk is permitted.

CHEER THEM ON!

See map on the back for the marathon route. We have two official "Cheer Zones" at Beaches Town Center and the Jacksonville Beach Seawalk Pavillion...or create your own along the course.

CHEER ON THE ULTRA MARATHONERS!

Be there Saturday, February 9 to cheer on the Ultra Marathon participants as they run 110 miles through Neptune Beach and Atlantic Beach all day and through the night to complete the race on Sunday.

The DONNA Foundation

DONNA Marathon Weekend is an official event of The DONNA Foundation. The Foundation was established in June of 2003 by three-time breast cancer survivor and award-winning journalist Donna Deegan to meet the critical financial needs of the underserved living with breast cancer. Our mission is to provide financial assistance and support to individuals living with breast cancer and fund ground breaking breast cancer research. To date, The DONNA Foundation has served nearly 12,000 families by providing more than $5 million dollars in relief and helped to develop and maintain the Mayo Clinic Breast Cancer Translational Genomics Research Program.
